## 2021-2022 Tuition and Registration Rates

**(including the subsidized discount for Tuition Partnership Program)**

- Your oldest registered child is calculated at the full tuition amount; proceed chronologically for remaining children.
- To qualify for the subsidized tuition rate, your family must complete and document 15 Service Hours by May 1, 2022. If Service Hours are an encumbrance, you may pay an additional \$1,500 per family for a Service Hour Waiver. Service hours not completed will be billed at a rate of \$100 in May 2022.
