

NOTIFICATION OF POSSIBLE NON-REENROLLMENT

My signature below affirms that at this time I choose not to participate in continuous enrollment. I understand that, if I change my mind in the future and decide to enroll my student(s), I may re-apply during the open enrollment period that begins the first Monday after Spring Break if there are openings in the grade(s) to which I apply. I also understand that, before WCA honors any requests for student records, all tuition and fees must be paid in full.
